

DADDY MAKE THEM STOP

Em Cmaj7
Daddy Make the stop. Daddy make them stop. It hurts so bad.
Em Em/Eb
They're whipping me and beating me. They use my name in vanity.
Em7 A7
They're fighting for my clothes. All they want is best and most.
Cmaj7 D
My strength is all gone. My bones are out of joint.
Cmaj7 D
Everything I taught them and still they miss the point.
Cmaj7 B7 Em
When will it all be over? Daddy make them stop.
Cmaj7
Daddy make them stop. Daddy make them stop. It just goes on.
Em Em/Eb
They pierce my hands and feet. I can count all my bones.
Em7 A7
My heart has turned to wax as theirs has turned to stone.
Cmaj7 B7 Em
Roaring lions tear their prey. Daddy make them stop.
Cmaj7
Daddy make them stop. Daddy make them stop. What ever it takes.
Em Cmaj7
Daddy make them stop. Daddy make them stop before it's too late.
D Cmaj7
The spitting and the mocking I can endure.
D Cmaj7
But that crown of thorns that really hurts.
D Cmaj7
They've shredded my body and little pieces lay all around.
D B7
They've torn me apart, and my blood leaks on the ground.
Em
Daddy make them stop. Daddy make them stop.
Cmaj7
They're so proud of what they've done.
Em Em/Eb
They hang a sign declaring that I am their King.
Em7 A7
But all the while they are spitting on my body and my name.

Cmaj7 B7 Em
I can't bare to watch. Daddy make them stop.

Dm Am
What ever it takes, do what you must do.

Dm Am
Send an earthquake, or a plague straight from you.

F G
Send them a famine. Send them a war.

F G
What ever it takes to have my body restored.

F G
A fire, a flood, or a great hurricane,
Dm7 Esus E Am G D/E
Something has got to change. Daddy make them stop.

Em
They think the pain that I endured on the cross was bad,
Cmaj7

but that was just for one day.
Em

They don't understand that my body is more than flesh,
Cmaj7
And it hurts me just the same.

D Cmaj7
They've been beating my body into pieces ever since.

D Cmaj7
When they slice and dice my body the pain is still intense.

D B7 Em
When will they ever repent? Daddy make them stop.

Cmaj7
Daddy make them stop. Daddy make them stop. What ever it takes.

Em Em/Eb
Please answer my prayer. Let my body be healed.

Em7 A7
Please hear my cry. Oh the pain is so real.

Cmaj7 D Cmaj7 B7
Please make the bleeding stop. Make them one body and make them knock it off.

Em Cmaj7
Daddy make them stop. Daddy make them stop what ever it takes.

Em Cmaj7
My body was broken for them and it's still being broken today.

D Cmaj7 D Cmaj7
What ever it takes oh daddy. What ever the cost dear daddy,
