

NOTHING MATTERS ANYMORE

C **Em** **F** **C**
People are so caught up in this fast and furious life.
Em **Am7** **G**
Running here and running there. Going day and night.
Am **Em** **F** **Fm**
No one stops to recognize that time is running out.
C **G** **Dm7** **Gsus** **G**
Jesus will soon come again with a trumpet and a shout.

CHORUS-

C **Em** **F** **C**
Nothing matters anymore except the coming of the Lord.
Em
Fighting the battle between darkness and light.
F **G**
And winning the lost for Jesus Christ.
C **Em**
There's no time for fun and games.
F **Fm**
Heaven and hell are just a breath away.
C **G** **F**
If you really love the Lord then let go of this world.
Dm7 **G** **C** **Gsus** **G**
Because nothing matters anymore.

C **Em** **F** **C**
All these things that we possess and hold oh so dear
Em **F** **G**
It will all be left behind when the trumpet sound we hear.
Am **Em** **F** **Fm** **C**
What the Bible said would happen is happening today.

Eternity is coming and I guarantee it will not delay.

REPEAT CHORUS
